Level 12

Predict the output of the following code

1function looping(x,y){

2  for(let i=0;i<y;i++){

3    for(let j=0;j<x;j++){

4      console.log(i+j);

5    }

6  }

7  return x\*y;

8  }

9}

10z = looping(2,3);

11console.log(z);

0,0,0,0, 1, 2, 6
