If you had great training experience with us, would you be willing to write a testimonial about your experience? *

☒ Yes

☐ No

If you responded yes to the question above, could you please write a short testimonial we could use here? We would love to use your testimonial to encourage others to take the training with us. Your honest testimonial here would be immensely helpful. A testimonial of 2-3 sentences would be sufficient although 4-5 sentences would be even better!

Village88 training course has equipped me with a lot of programming knowledge to be ready in the real world of web development. The training course has a level of difficulties where it helped me to advance one step at a time. And had made a great impact on me not to give up reaching my dream as a web developer.

If you did provide your testimonial above, we would like to know your name so that we can provide credibility to the testimonial. Please provide your full name below? By providing this information, you agree that we can use your testimonial.
